

Обект: Реконструкция на ВЛ 110kV Близнак

Част: Електрическа и геология

Документ: Приложение №7

Заглавие: Определяне на количествата виброгасители по фазовите проводници

Общо виброгасители АСО-400: 1254

Забележка:

Разстоянията за монтаж да се дадат от доставчика на виброгасителите, като същите да реферират към изчислителна записка.
